Welcome to the Crystal Farms Schooling Shows! Our goal for these events is to give riders a new way to: improve skills, practice for the show ring, get comfortable with friendly competition and just have a little fun!

All the shows will be judged by a licensed horse show official. Each show will offer three skill levels, so you can ride with individuals that have similar experience. You will have an opportunity to ride in a regular class as well as a pattern class. Lesson horses will be mainly used: however show horses will be used at Mary's discretion. Lesson horses will be chosen by Mary, with each rider's best interest at heart.

As for attire we suggest the following; working jodhpur pants of hunt or saddleseat type, paddock or jod boots, hip length sweater-type top, gloves, helmets (mandatory) for hunt riders. Hair should be done neatly in a pony-tail/french braid etc. Make-up should be heavier than everyday but tasteful. Numbers and pins will be provided. There will be a Crystal Farms helper that will be available for hair and make-up tips as well as experienced Crystal Farms moms! If you have questions about attire and appearance, please do not hesitate to ask your instructor before the show date.

Now, we know that some of the best competition in the state is right here in our own barn - and all of our riders are winners - so classes will be placed, but all riders will receive ribbons - appropriately BLUE! We expect that the competitive environment will be mutually supportive, exciting and fulfilling! Please see Mary and Dani with any questions you may have.
